Rule 45, Federal Rules of Civil Procedure, Parts C & D:

(c) PROTECTION OF PERSONS SUBJECT TO SUBPOENAS.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction which may include, but is not limited to, lost earnings and reasonable attorney's fee.

(2) (A) A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

(B) Subject to paragraph (d) (2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3) (A) On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it

(i) fails to allow reasonable time for compliance,

(ii) requires a person who is not a party or an officer of a party to travel to a place more than 100 miles from the place where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c) (3) (B) (iii) of this rule, such a person may in order to attend

trial be commanded to travel from any such place within the state in which the trial is held, or

(iii) requires disclosure of privileged or other protected matter and no exception or waiver applies, or

(iv) subjects a person to undue burden.

(B) If a subpoena

(i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or

(ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or

(iii) requires a person who is not a party or an officer of a party to incur substantial expense to travel more than 100 miles to attend trial, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

(d) DUTIES IN RESPONDING TO SUBPOENA.

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

News Release

Centerline Holding Company Completes Securitization of \$2.8 Billion Tax-Exempt Affordable Housing Bond Portfolio with Freddie Mac

Commitment Secured from Affiliate of Related Companies for \$131 Million Equity Investment

NEW YORK, Dec 28, 2007 (BUSINESS WIRE) -- Centerline Holding Company (NYSE:CHC), the parent company of Centerline Capital Group, Inc. ("Centerline" or the "Company"), today announced the completion of a securitization of the Company's \$2.8 billion tax-exempt affordable housing bond portfolio with Freddie Mac. For accounting purposes, most of the securitization will be treated as a sale. The transaction represents a major step in Centerline's plan to transform itself into an alternative asset management company. Centerline also announced a \$131 million equity investment commitment from an affiliate of Related Companies, its largest shareholder.

"Over the past several years, the strategic vision embraced by Centerline's Board of Trustees and management has been to transform Centerline into an alternative asset management company," said Marc D. Schnitzer, Chief Executive Officer and President of Centerline. "With the securitization of our bond portfolio with Freddie Mac, we have accelerated our progress toward that goal. The transaction has materially improved our risk profile by reducing the funding and interest rate risk inherent in our liability structure. Centerline now has a leaner balance sheet, improved credit metrics and an increased percentage of revenues derived from asset management services. As an alternative asset manager with \$11.6 billion of assets under management, we aim to produce returns and growth comparable to other publicly-traded alternative asset managers."

"Centerline's goals are to increase assets under management and to create greater earnings power. With Related's investment, we have the resources to achieve our goals," continued Mr. Schnitzer. "Greater liquidity will enable us to capitalize on opportunities arising from the volatility in the capital markets. Our growth plans adhere to our core investment strategy of Buy-Watch-Fix: invest prudently, monitor performance diligently and manage investments aggressively."

Stephen M. Ross, Chairman of Related Companies and Centerline, added, "Centerline has undergone an amazing evolution from the affordable housing firm I started 35 years ago to an industry leader in real estate investment and finance. Centerline has a premier, seasoned management team and a compelling growth story as an alternative asset manager. This equity investment in Centerline will help the Company implement its new initiatives and build the foundation for future expansion. I strongly endorse Centerline's growth strategy and the ability of the management team to execute it."

Freddie Mac Transaction

Centerline completed a securitization of the Company's \$2.8 billion tax-exempt affordable housing bond portfolio with Freddie Mac. The bond portfolio is secured by mortgages on approximately 59,000 units of affordable multifamily properties in 31 states. For accounting purposes, most of the securitization will be treated as a sale. Centerline retained a high-yielding first-loss position (the "B-Piece") in the portfolio and will remain the primary and special servicer.

"We are thrilled to partner with Freddie Mac on this innovative transaction," said Mr. Schnitzer. "Retaining the B-Piece and our ongoing servicing arrangement creates a fund management structure for the bond portfolio similar to our other funds. Through our partnership with Freddie Mac, as their first Targeted Affordable Housing Lender, we will improve the competitiveness of our affordable housing business and assist in the expansion of assets under management."

Centerline used the proceeds from the Freddie Mac bond securitization to redeem its existing financing arrangements, retire corporate debt and pay the costs and expenses associated with the transaction.

In connection with the transaction, Centerline expects to record net, one-time charges of \$45 million to \$55 million in the fourth quarter of 2007. Net of minority interest allocations, the Company expects these charges to reduce net income by \$30 million to \$40 million. Gains incorporated in the net charge include a gain on the sale of the bonds, previously deferred revenues and recovery of impairment charges. Losses incorporated in the net charge include writing off deferred costs associated with the bonds and securitization trusts, recognizing fair value losses on certain interest rate swaps, costs to terminate existing financing arrangements and transaction related costs. These transaction-related costs of approximately \$95 million will impact the Company's 2007 Cash Available for Distribution ("CAD"). Centerline has reduced the Company's previous CAD per share guidance for 2007 from \$1.89 to a range of \$1.70 to \$1.75, exclusive of the transaction related costs associated with the securitization.

\$131 Million Investment from An Affiliate of Related Companies

An affiliate of Related Companies has committed to invest \$131,250,000 in Centerline Holding Company through a newly-issued convertible preferred stock. The preferred stock will pay dividends at an 11% annual distribution rate and will be convertible at a \$10.75 per share conversion rate for an aggregate of approximately 12.2 million common shares of Centerline Holding Company. The transaction, which is subject to completion of definitive documentation, is expected to close in January 2008. Centerline will use the net proceeds to reduce corporate debt and fund the Company's growth plans.

Repositioning as an Alternative Asset Manager

Centerline will implement several strategic initiatives to further align the Company with other publicly-traded alternative asset managers, including:

- Increase Assets Under Management: Centerline anticipates raising \$3.3 billion - \$4.0 billion of new assets under management in 2008, including \$1.7 billion - \$2.0 billion of commercial real estate debt and equity funds, \$1.0 billion - \$1.2 billion of affordable housing funds and new mortgage bond investments and \$600 million - \$800 million of commercial loan investments.
- Change Revenue Composition: The nature of Centerline's revenue composition has changed and will now be derived from (i) investment management fees, including fund sponsorship, asset management, servicing and incentive fees; (ii) transactional fees, including origination and credit enhancement fees; and (iii) investment income, including income from co-investments and interest. Centerline anticipates investment management fees and transactional fees will comprise approximately 60% - 65% of the Company's revenues in 2008.
- Reduce Leverage: Centerline repaid the Company's existing term loan and revolver and entered into two new debt facilities, resulting in a net reduction of \$120 million of corporate debt, including liabilities associated with the transaction. The new facilities include a revolving line of credit with a maximum capacity of \$300 million and a term loan with a maximum capacity of \$150 million. The lead arrangers of the new debt facilities are Bank of America and Citibank. Centerline expects its future corporate debt levels to be significantly lower than in the past.
- Change Dividend Policy: Effective in the first quarter of 2008, Centerline's dividend on an annualized basis is expected to be \$0.60 per share (\$0.15 on a quarterly basis), subject to approval by our Board of Trustees. The Company will deploy its retained cash flows to fund growth and reduce debt. Centerline anticipates 30% to 35% of the Company's income will be federally tax-exempt in 2008.
- Utilize New Earnings Metrics: Beginning in the first quarter of 2008, Centerline will no longer report CAD as a financial metric. Instead, Centerline will report Adjusted Earnings per Share ("Adjusted EPS"). Adjusted EPS is defined as earnings per share computed pursuant to generally accepted accounting principles ("GAAP") and adjusted for non-cash amortization of acquired intangible assets and acquisition-related, share-based compensation.

2008 Earnings Guidance

Centerline anticipates Adjusted EPS for 2008 will range between \$1.00 and \$1.10.

Reconciliation of Adjusted Earnings Per Share to GAAP Earnings Per Share Guidance

(per share)	Low	High
GAAP Earnings Per Share	\$0.84	\$0.94
Amortization of Intangible Assets	\$0.11	\$0.11
Amortization of Acquisition-Related Share-Based Compensation	\$0.05	\$0.05
Adjusted Earnings Per Share	\$1.00	\$1.10

News Release

Centerline Holding Company Completes Securitization of \$2.8 Billion Tax-Exempt Affordable Housing Bond Portfolio with Freddie Mac

Commitment Secured from Affiliate of Related Companies for \$131 Million Equity Investment

NEW YORK, Dec 28, 2007 (BUSINESS WIRE) -- Centerline Holding Company (NYSE:CHC), the parent company of Centerline Capital Group, Inc. ("Centerline" or the "Company"), today announced the completion of a securitization of the Company's \$2.8 billion tax-exempt affordable housing bond portfolio with Freddie Mac. For accounting purposes, most of the securitization will be treated as a sale. The transaction represents a major step in Centerline's plan to transform itself into an alternative asset management company. Centerline also announced a \$131 million equity investment commitment from an affiliate of Related Companies, its largest shareholder.

"Over the past several years, the strategic vision embraced by Centerline's Board of Trustees and management has been to transform Centerline into an alternative asset management company," said Marc D. Schnitzer, Chief Executive Officer and President of Centerline. "With the securitization of our bond portfolio with Freddie Mac, we have accelerated our progress toward that goal. The transaction has materially improved our risk profile by reducing the funding and interest rate risk inherent in our liability structure. Centerline now has a leaner balance sheet, improved credit metrics and an increased percentage of revenues derived from asset management services. As an alternative asset manager with \$11.6 billion of assets under management, we aim to produce returns and growth comparable to other publicly-traded alternative asset managers."

"Centerline's goals are to increase assets under management and to create greater earnings power. With Related's investment, we have the resources to achieve our goals," continued Mr. Schnitzer. "Greater liquidity will enable us to capitalize on opportunities arising from the volatility in the capital markets. Our growth plans adhere to our core investment strategy of Buy-Watch-Fix: invest prudently, monitor performance diligently and manage investments aggressively."

Stephen M. Ross, Chairman of Related Companies and Centerline, added, "Centerline has undergone an amazing evolution from the affordable housing firm I started 35 years ago to an industry leader in real estate investment and finance. Centerline has a premier, seasoned management team and a compelling growth story as an alternative asset manager. This equity investment in Centerline will help the Company implement its new initiatives and build the foundation for future expansion. I strongly endorse Centerline's growth strategy and the ability of the management team to execute it."

Freddie Mac Transaction

Centerline completed a securitization of the Company's \$2.8 billion tax-exempt affordable housing bond portfolio with Freddie Mac. The bond portfolio is secured by mortgages on approximately 59,000 units of affordable multifamily properties in 31 states. For accounting purposes, most of the securitization will be treated as a sale. Centerline retained a high-yielding first-loss position (the "B-Piece") in the portfolio and will remain the primary and special servicer.

"We are thrilled to partner with Freddie Mac on this innovative transaction," said Mr. Schnitzer. "Retaining the B-Piece and our ongoing servicing arrangement creates a fund management structure for the bond portfolio similar to our other funds. Through our partnership with Freddie Mac, as their first Targeted Affordable Housing Lender, we will improve the competitiveness of our affordable housing business and assist in the expansion of assets under management."

Centerline used the proceeds from the Freddie Mac bond securitization to redeem its existing financing arrangements, retire corporate debt and pay the costs and expenses associated with the transaction.

In connection with the transaction, Centerline expects to record net, one-time charges of \$45 million to \$55 million in the fourth quarter of 2007. Net of minority interest allocations, the Company expects these charges to reduce net income by \$30 million to \$40 million. Gains incorporated in the net charge include a gain on the sale of the bonds, previously deferred revenues and recovery of impairment charges. Losses incorporated in the net charge include writing off deferred costs associated with the bonds and securitization trusts, recognizing fair value losses on certain interest rate swaps, costs to terminate existing financing arrangements and transaction related costs. These transaction-related costs of approximately \$95 million will impact the Company's 2007 Cash Available for Distribution ("CAD"). Centerline has reduced the Company's previous CAD per share guidance for 2007 from \$1.89 to a range of \$1.70 to \$1.75, exclusive of the transaction related costs associated with the securitization.

\$131 Million Investment from An Affiliate of Related Companies

An affiliate of Related Companies has committed to invest \$131,250,000 in Centerline Holding Company through a newly-issued convertible preferred stock. The preferred stock will pay dividends at an 11% annual distribution rate and will be convertible at a \$10.75 per share conversion rate for an aggregate of approximately 12.2 million common shares of Centerline Holding Company. The transaction, which is subject to completion of definitive documentation, is expected to close in January 2008. Centerline will use the net proceeds to reduce corporate debt and fund the Company's growth plans.

Repositioning as an Alternative Asset Manager

Centerline will implement several strategic initiatives to further align the Company with other publicly-traded alternative asset managers, including:

- Increase Assets Under Management: Centerline anticipates raising \$3.3 billion - \$4.0 billion of new assets under management in 2008, including \$1.7 billion - \$2.0 billion of commercial real estate debt and equity funds, \$1.0 billion - \$1.2 billion of affordable housing funds and new mortgage bond investments and \$600 million - \$800 million of commercial loan investments.
- Change Revenue Composition: The nature of Centerline's revenue composition has changed and will now be derived from (i) investment management fees, including fund sponsorship, asset management, servicing and incentive fees; (ii) transactional fees, including origination and credit enhancement fees; and (iii) investment income, including income from co-investments and interest. Centerline anticipates investment management fees and transactional fees will comprise approximately 60% - 65% of the Company's revenues in 2008.
- Reduce Leverage: Centerline repaid the Company's existing term loan and revolver and entered into two new debt facilities, resulting in a net reduction of \$120 million of corporate debt, including liabilities associated with the transaction. The new facilities include a revolving line of credit with a maximum capacity of \$300 million and a term loan with a maximum capacity of \$150 million. The lead arrangers of the new debt facilities are Bank of America and Citibank. Centerline expects its future corporate debt levels to be significantly lower than in the past.
- Change Dividend Policy: Effective in the first quarter of 2008, Centerline's dividend on an annualized basis is expected to be \$0.60 per share (\$0.15 on a quarterly basis), subject to approval by our Board of Trustees. The Company will deploy its retained cash flows to fund growth and reduce debt. Centerline anticipates 30% to 35% of the Company's income will be federally tax-exempt in 2008.
- Utilize New Earnings Metrics: Beginning in the first quarter of 2008, Centerline will no longer report CAD as a financial metric. Instead, Centerline will report Adjusted Earnings per Share ("Adjusted EPS"). Adjusted EPS is defined as earnings per share computed pursuant to generally accepted accounting principles ("GAAP") and adjusted for non-cash amortization of acquired intangible assets and acquisition-related, share-based compensation.

2008 Earnings Guidance

Centerline anticipates Adjusted EPS for 2008 will range between \$1.00 and \$1.10.

Reconciliation of Adjusted Earnings Per Share to GAAP Earnings Per Share Guidance

(per share)	Low	High
GAAP Earnings Per Share	\$0.84	\$0.94
Amortization of Intangible Assets	\$0.11	\$0.11
Amortization of Acquisition-Related Share-Based Compensation	\$0.05	\$0.05
